4. **LIABILITY LIMITATIONS.** EXCEPT AS SET FORTH BELOW AND TO THE EXTENT ALLOWED BY APPLICABLE LAW, IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR (A) ANY INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, WHETHER BASED IN WARRANTY, CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, PRODUCT LIABILITY OR ANY OTHER LEGAL OR EQUITABLE THEORY, INCLUDING CLIENT'S RELIANCE ON FINANCIAL CALCULATIONS PROVIDED BY THE SOLUTIONS, AND WHETHER OR NOT SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, OR (B) ANY LOSSES OR DAMAGES EXCEEDING THE AMOUNTS PAID BY CLIENT TO FARMQA DURING THE TWELVE (12) MONTH PERIOD PRECEDING THE EVENT GIVING RISE TO THE CLAIM. THE FOREGOING LIMITATIONS SHALL NOT APPLY TO CLIENT'S PAYMENT OBLIGATIONS, CLIENT'S BREACH OF THE RESTRICTIONS IN SECTION 1, OR A PARTY'S INDEMNITY OBLIGATIONS HEREUNDER.

5. **CONFIDENTIALITY.** "Confidential Information" means the Solutions, Documentation, terms and conditions of this Agreement, and any financial, statistical, business, technical, copyrightable, and/or confidential or proprietary information relating to a party's business which is disclosed by either FarmQA or Client to the other party in order to carry out this Agreement and is not generally known or available publicly. Except as otherwise provided in this Agreement, each party agrees that it shall not use or disclose to any third party any Confidential Information of the other party. Each party shall instruct its personnel to keep such information confidential by using the same care and discretion that it uses for its own Confidential Information, but no less than reasonable care. Each party may disclose Confidential Information to its third-party consultants or service providers, on a need-to-know basis, who have been specifically retained to perform services in connection with this Agreement, provided that all such third parties are informed of and agree to be bound by confidentiality terms no less protective than those under this Agreement. The obligations set forth in this Section 5 shall not apply to any information that the recipient can demonstrate (i) is published or otherwise becomes available to the general public through no fault of the recipient or parties under its control or supervision; (ii) was obtained by the recipient from another party not under a confidentiality obligation to the discloser; (iii) was in the recipient's possession without proprietary restrictions prior to the date of disclosure; or (iv) was developed without reference to the Confidential Information. If the recipient is required to disclose any Confidential Information of the discloser pursuant to applicable law or order, the recipient shall, to the extent feasible, give the discloser prior written notice of such proposed disclosure sufficient to give the discloser a reasonable opportunity to contest such disclosure. If, after providing such notice and assistance as required herein, the recipient remains required to disclose any Confidential Information, the recipient shall disclose no more than that portion of the Confidential Information which it is legally required to disclose, and, upon the discloser's request, shall use commercially reasonable efforts to obtain assurances from the applicable court or agency that such Confidential Information will be afforded confidential treatment. For purposes of this Section 5, the "discloser" means the party that owns or possesses the Confidential Information, and the "recipient" means the party to which the Confidential Information is disclosed.

6. **INDEMNITY**

FarmQA Indemnity. FarmQA shall indemnify, defend, and hold harmless Client from and against any and all losses, damages, deficiencies, claims, actions, judgments, settlements, interest, awards, penalties, fines, costs, or expenses of whatever kind, including reasonable attorneys' fees and the costs of enforcing any right to indemnification hereunder and the cost of pursuing any insurance providers ("Losses") incurred by Client resulting from any claim, action, cause of action, demand, lawsuit, arbitration, inquiry, audit, notice of violation, proceeding, litigation, citation, summons, subpoena, or investigation of any nature, civil, criminal, administrative, regulatory, or other, whether at law, in equity, or otherwise ("Action") by a third party: (i) alleging that the Solutions or Documentation, or any use of the Solutions or Documentation in accordance with this Agreement, infringes or misappropriates such third party's intellectual property rights ("IP Claim"); (ii) alleging FarmQA's violation of applicable laws or breach of Section 5 (Confidentiality); and (iii) to the extent caused

by FarmQA's gross negligence or willful misconduct. FarmQA's obligations do not apply to the extent that an IP Claim arises from: (a) the combination, operation, or use of the Solutions in or with, any technology (including any software, hardware, firmware, system, or network) or service not provided by FarmQA or specified for Client's use in the Documentation, unless otherwise expressly permitted by FarmQA in writing; (b) negligence, abuse, misapplication, or misuse of the Solutions or Documentation by or on behalf of Client; (c) use of the Solutions or Documentation by or on behalf of Client that is outside the purpose, scope, or manner of use authorized by this Agreement; (d) solely from a claim that Microsoft Azure infringes or misappropriates such third party's rights; or (e) Losses for which Client is obligated to indemnify FarmQA. If a final judgment is entered against Client on any IP Claim, or if in FarmQA's reasonable opinion Client is likely to become subject to a successful IP Claim, then Client shall permit FarmQA, at FarmQA's option and expense, either to: (i) procure for Client the right to continue using the Solutions materially as contemplated herein; or (ii) replace or modify the Solutions so that it becomes non-infringing, with material functionality being substantially equal. If neither (i) nor (ii) is commercially practicable, FarmQA shall terminate Client's access to the Solutions and provide a refund of any prepaid but unused fees paid by Client to FarmQA for use of the Solutions. FarmQA will not compromise or settle any IP Claim on terms that would obligate Client to make any payment or would have a material adverse effect on Client, without Client's prior written consent, which shall not be unreasonably withheld or delayed. This section sets forth the entire and exclusive liability of FarmQA regarding any claimed infringement or misappropriation by the Solution of any intellectual property rights of any third party.

Client Indemnity. Client shall indemnify, defend, and hold harmless FarmQA from and against any and all Losses incurred by FarmQA resulting from any Action by a third party: (i) alleging that any intellectual property rights or other right of any person, or any law, is or will be infringed, misappropriated, or otherwise violated by any Client Data or FarmQA's processing thereof in accordance with this Agreement; (ii) alleging Client's violation of applicable law or breach of Section 5 (Confidentiality) or the Restrictions under Section 1; or (iii) to the extent caused by Client's gross negligence or willful misconduct.

Procedure. Each Party shall promptly notify the other Party in writing of any Action for which such Party believes it is entitled to be indemnified. The Party seeking indemnification (the "Indemnitee") shall cooperate with the other Party (the "Indemnitor") at the Indemnitor's sole cost and expense. The Indemnitor shall promptly assume control of the defense and investigation of such Action to handle and defend the same, at the Indemnitor's sole cost and expense. The Indemnitee may participate in and observe the proceedings at its own cost and expense with counsel of its own choosing. The Indemnitor shall not settle any Action on any terms or in any manner that adversely affects the rights of any Indemnitee without the Indemnitee's prior written consent, which shall not be unreasonably withheld, conditioned, or delayed. The Indemnitee's failure to perform any obligations under this Section will not relieve the Indemnitor of its obligations under this Section, except to the extent that the Indemnitor can demonstrate that it has been materially prejudiced as a result of such failure.

7. **PAYMENT.** Fees are set forth in the Order Form, and shall be invoiced by FarmQA or other paid to FarmQA in accordance with the terms specified in the Order Form. Unless otherwise expressly provided in an Order Form, Client shall pay all invoices within thirty (30) days of the invoice date. FarmQA reserves the right to charge Client interest at one and one-half percent (1.5%) per month on any undisputed invoiced amount Client fails to pay within thirty (30) days from the date of invoice, calculated from the invoice date. Client shall promptly notify FarmQA of the basis for any good faith dispute on any invoice issued. FarmQA reserves the right to withhold performance of any obligations arising under this Agreement, or to terminate or suspend Client's access to the Solutions in the event of Client's non-payment when due of any amounts owed to FarmQA which are not the subject of a good faith dispute. All Fees and other amounts payable by Client under this Agreement are exclusive of taxes and similar assessments. Without limiting the foregoing, Client is responsible for all sales, use, and excise taxes, and any other similar taxes, duties, and charges of any kind imposed by any federal, state, or local governmental or regulatory authority on any amounts payable by Client hereunder, other than any taxes imposed on FarmQA's income.

8. **TERM AND TERMINATION.**

General. The initial Term of this Agreement shall commence on the Effective Date and continue for the term specified in the Order Form ("Initial Term"). Thereafter, this Agreement shall automatically renew on an annual basis (each, a "Renewal Term" and together with the Initial Term, the "Term") unless either party provides at least thirty (30) days written notice of termination to the other party. Either party may terminate this Agreement upon a material breach by the other party of any term or condition contained in this Agreement that remains uncured thirty (30) days after written notice specifying such breach. In the event of non-payment by Client of any Fees, FarmQA may terminate this Agreement if Client fails to provide

the required payment or a written notice of why Client believes the amount is not owed within five (5) business days after receiving FarmQA's notice of termination. FarmQA reserves the right to immediately suspend or disable Client's or an individual User's access to the Solutions upon a material breach by Client that, in FarmQA's reasonable determination, presents or threatens imminent harm to FarmQA or third parties, provided that FarmQA shall reinstate access promptly upon resolution of the breach.

Effect of Termination. Upon expiration or earlier termination of this Agreement: (i) the rights granted under Section 1 shall also terminate; and (ii) Client shall cease using the Solutions and Documentation. No expiration or termination shall affect Client's obligation to pay all Fees that may have become due before such expiration or termination, or entitle Client to any refund, in each case except as set forth in this Agreement or any Order Form. To the extent that Client requests from FarmQA to archive Client Data beyond the effective date of termination, FarmQA will hold such Client Data, subject to Client's payment of FarmQA's then-current storage fees. All obligations that by their nature survive expiration or termination shall survive.

9. INTELLECTUAL PROPERTY.

General. All right, title, and interest in and to the Solutions, Documentation, and data and information related to Client's use of the Solutions that is used by FarmQA in an aggregate and anonymized manner ("Usage Data"), including all intellectual property rights therein, are and will remain with FarmQA. Client has no right, license, or authorization with respect to the Solutions or Documentation except as expressly set forth in this Agreement. All other rights in and to the Solutions and Documentation are expressly reserved by FarmQA. Client is and will remain the sole and exclusive owner of all right, title, and interest in and to all Client Data, including all intellectual property rights relating thereto. Client hereby irrevocably grants all such rights and permissions in or relating to Client Data as are necessary or useful to FarmQA to enforce this Agreement, exercise FarmQA's rights and perform its obligations hereunder, and to improve the Solutions, provided that FarmQA remains in compliance with its confidentiality obligations hereunder.

Third-Party Materials. The Solutions may include or require software, content, data, or other materials, that are owned by parties other than FarmQA (including, but not limited to open source software components that the Solutions are bundled with or link to) and that are subject to terms that are in addition to and/or different from those contained in this Agreement ("Third-Party Licenses"). Client's use of such third-party items shall comply with all Third-Party Licenses. Any breach by Client or any of its Users of any Third-Party License is also a breach of this Agreement. FarmQA makes no representations or warranties regarding any third-party items.

10 MISCELLANEOUS.

Government Rights. The Solutions are considered commercial computer software, as such term is defined in 48 C.F.R. §2.101. Accordingly, if the Client is the US Government or any contractor therefor, Client shall receive only those rights with respect to the Software and Documentation as are granted to all other end users under license, in accordance with (i) 48 C.F.R. §227.7201 through 48 C.F.R. §227.7204, with respect to the Department of Defense and their contractors, or (ii) 48 C.F.R. §12.212, with respect to all other US Government licensees and their contractors. Client shall apply with all applicable laws in the use of the Solutions.

Notices. All notices required to be given pursuant to this Agreement shall be in writing to a party's address indicated on this signature page of this Agreement and shall be deemed effective (i) when received in the event of service by certified mail, return receipt requested or by overnight courier; or (ii) when sent via e-mail transmission (with a written copy sent simultaneously by mail or overnight courier). Any e-mail transmittal of any document related to this Agreement shall be treated in all manner and respects as the original document.

Publicity. FarmQA may use Client's name in press releases, product brochures, sales presentations, marketing materials and financial reports indicating that Client is or has been a FarmQA client unless otherwise agreed in an Order Form.

General. Neither this Agreement or any rights granted under this Agreement may be sold, leased, assigned or otherwise transferred in whole or in part by Client, whether by operation of law or otherwise, and any such attempted assignment shall be void and of no effect without the advance written consent of FarmQA. For clarity, any change in management or equity ownership of Client shall be deemed an assignment for the purposes of the foregoing restriction. FarmQA may assign this Agreement: (i) pursuant to a merger or change of control or (ii) to an assignee of all or substantially all of FarmQA's assets.

Any purported assignment in violation of this section shall be void. FarmQA and Client are independent contractors and this Agreement shall not be construed to create any fiduciary relationship or other relationship of partnership, joint venture, employment, franchise or agency between them. Neither party will have any authority to bind the other or create or assume obligations on the other party's behalf or to act or purport to act as agent or representative on behalf of the other party without the other party's prior written consent. This Agreement shall be governed under and construed by the internal laws of the State of North Dakota, USA, exclusive of its conflict of laws provisions. FarmQA shall not be liable for any failure or delay in its performance under this Agreement due to causes beyond its reasonable control including, without limitation, labor strikes or shortages, riots, insurrection, fire, flood, storm, explosion, acts of God, war, terrorism, governmental action, labor conditions, earthquakes, material shortages, and power, communications, internet or network failures or failures of Microsoft Azure. The failure by either party to insist upon strict enforcement of any provision of this Agreement shall not be construed as a waiver or relinquishment of the right to later assert or rely upon any such provision. If any provision of this Agreement is held invalid or unenforceable by a court of competent jurisdiction, the remainder of this Agreement shall remain valid and enforceable, unless the Agreement absent the invalid or unenforceable provision fails to meet the essential business purposes of the parties as expressed in this Agreement, and any provision held invalid or unenforceable shall automatically be revised with the least changes necessary to effect, to the fullest extent permitted by law, the intent of the parties as expressed in this Agreement. This Agreement, including any Order Form and other documents or terms incorporated herein by reference, constitutes the entire agreement between the parties with respect to the subject matter hereof and replaces and supersedes all prior written and oral agreements, discussions, negotiations, commitments and understandings relating to the subject matter of this Agreement. Neither party has relied on any representation, promise, warranty, understanding or statement not set forth in this Agreement. This Agreement may be modified only in a writing signed by a duly authorized officer of each party. Client purchase orders may be submitted concurrently or later for funding and administrative purposes but terms and conditions contained therein shall have no force or effect.

Effective August 29, 2025
